

*I write to surprise,  
delight and inspire.*

— RUOWEN WANG

**Ruowen Wang** is an accomplished author and publisher of a number of outstanding children's books. She taught English as a Second Language as a specialist for ten years, and also operated a learning centre for young children. Her passionate interest in children's literature has led Ruowen to focus on the writing and publishing of children's books. Ruowen's publishing company, Kevin & Robin Books Ltd., is dedicated to producing culturally diverse stories for children, as well as promoting gender equality and multiculturalism through children's literature. Ruowen lives in Toronto, Canada, with her husband and two children.

Please visit Ruowen's personal website at [www.ruowenwang.com](http://www.ruowenwang.com).

**Wei Xu** is an award-winning artist from China. He has been working as a chief designer in an advertising company for more than ten years, and has both illustrated and designed books for many well-known writers in China. Wei Xu lives in Toronto, Canada.

\$19.95 Cdn  
\$16.95 US

**L**ittle Joy is a happy baby. She smiles a lot. But her mommy notices that, unlike other babies her age, Little Joy has not yet learned to laugh out loud.

This book is for very young children. The story uses limited words, simple sentence structure and repeated sentences to encourage language acquisition. Its charming illustrations of a Caucasian family interacting with their adopted Chinese daughter impart one message: A heart with love has room enough for everyone.
